TO WHOM IT MAY CONCERN

It is certified that Dr. Shamaila Manzoor w/o Khawaja Sajjad Haider has served in the department of Anesthesia, IIMC-T Railway Hospital Rawalpindi, as a postgraduate trainee for MCPS from 1st June 2003 to May 3rd 2004 (One year).

During the said period, she assisted and anaesthetized patients of General Surgery, Orthopedics, Pediatrics, Gynecology and Obstetrics, Urology, ENT and Eye on routine as well as on emergency lists. She is well versed with General, Regional and Local Anesthesia. She has also worked in the pain clinic where she learnt, assisted and applied various types of local blocks like Para vertebral, Sciatic, Psoas, Brachial and Supraclavicular etc. for pain patients. She is also capable to use Epidural Blocks technique. On top of it, she also delivered lectures and conducted written exams for undergraduate students of Islamic International Medical College, Rawalpindi.

Dr. Shamaila, during her stay here has shown a great sense of duty and responsibility. She is very committed and has good communication skills. Her enthusiasm when merged with her excellent basic and clinical knowledge embodies an ideal doctor in herself. Furthermore her cool temperament enables her to maintain inspiring relations with her patients and peers.

I wish Dr. Shamaila very best of luck and strongly recommend her for any appointment that would match her qualification and experience. I am sure that she would definitely be a valuing factor for any employer.
